## **PRESS CONFERENCE HELD BY THE FAMILY OF NINA COE TO ASK FOR THE PUBLIC'S ASSISTANCE IN LOCATING HER**

Nina Coe (Age 56) was last seen on Thursday, July 16, 2015 in the mid-afternoon hours. She had returned from an appointment and was reportedly in good spirits. Since then, her whereabouts are unknown. Nina does have chronic health and dependency issues. She may be in need of immediate medical attention.

Nina's sisters, Dale Ocelik, and Barbara and Carol Plourde, appeared tonight at 9:30PM in the community room of the Middletown Police Department where a news conference was held asking for the public's assistance. They confirmed that Nina had contact with one or more of them on a daily basis without fail and that having no contact was highly unusual.

The Honorable Mayor Dan Drew met with the family minutes before the news conference and expressed his support for the family during these difficult times.

The Middletown Police Department's Special Investigations Unit, led by Sergeant Bill Porter with lead Detective Jimmy LaCasse, is actively investigating Nina's disappearance. Members of the department's Patrol Division and Major Investigations Unit are also assisting. Support from the Connecticut State Police and the Middlesex County State's Attorney's office has been abundant throughout the past two weeks.

As the investigation continues, we ask that anyone who has any information regarding the disappearance of Nina Coe to contact your local police department, the Connecticut State Police covering your area, or the Middletown Police Department.
