

City of Middletown 2011 Compost Bin & Green Cone Fall Community Sale

Garden Gourmet Compost Bin

Standard backyard compost bin. Holds yard waste and food waste. Compost can be scooped out the bottom. 11 cubic feet with removable lid. Easy assembly. Finished size: 24"x24"x36". For more information: www.gardengourmet.com.

Price: \$55.00

Green Cone : Food Waste Digester.

The Green Cone takes all organic wastes beyond what a compost bin can accept. This includes, meat, fish, dairy, corn cobs, and bones. It works best in conjunction with a compost bin. There is no final product with a Green Cone. It just adds nutrients to the soil. For more information:
