

# Hosting a Public event?

## Having an event and need a recycling container?

According to PA 10-87, as of Oct, 2011, recycling bins must be available with trash containers if recyclables are generated. The City Public Works Recycling Division has bins available to borrow. Contact Kim O'Rourke to reserve proper bins. Available on a first come, first serve basis! Don't go without!

Thank you for recycling!

Kim O'Rourke  
Middletown Recycling Coordinator
