RECEIVED
15 JAN 21 PM 3:44
TOWN CLERK
MARY BARTOLOTTA

C. Ordinance: Filling Vacancies in Funded Positions § 74-9

Councilwoman Bartolotta explained that she asked the Council Clerk to draft this ordinance based upon discussions that originated in last month's Finance and Government meeting. The Councilmembers expressed that they wanted the Department Head and Director of Finance to certify that there was funding in the budget for each position before a job requisition is signed off of and asked that the phrase "in writing" be added to the second sentence of the ordinance in an effort to avoid the situation that occurred last month with the Planning/Environmental Specialist Position. There were some questions about what the HR Director certifies on the requisition and notice of appointment forms. Director Morey explains that she certifies that the position is vacant and that it is a proper position within the classified plan.

Councilman Daley made a MOTION to approve the ordinance. The Motion was seconded by Councilman Chisem. The Motion was approved unanimously.

D. Resolution re: Review of Personnel Rules

The Commission discussed that the Personnel Rules require periodic updates and that our rules are due for such an update. Director Morey explained that she has been working on a draft. Councilman Chisem asked that draft rules be sent to the Commissioners prior to the next meeting. Councilman Daley asked that they be sent prior to the next meeting after the Office of the General Counsel has an opportunity to review what Director Morey had drafted.
